

# TECHNOLOGY TOOLS TO HELP YOU MASTER THE VIRTUAL WORKSPACE

*In a world of too many options, here is a list of products that every agent needs!*

## TITLEPRO 247

TitlePro 247 is a property data and analytics platform. Within one system you can easily generate property reports and demographic-based leads.

## SKYSLOPE

SkySlope is the industry standard for digital transaction management. They are dedicated to tailoring their software to match your existing workflow.

## FELT

Felt allows you to send handwritten cards all from your phone or tablet. They provide turnkey service that includes sealing, stamping and mailing your cards.

## COREFACT

CoreFact is a full-service marketing company that specializes in direct mail marketing. They offer both offline and online resources and focus on capturing seller leads for real estate professionals.

## REAL GEEKS

Real Geeks is an all-in-one real estate sales and marketing system. It is a lead nurturing CRM that includes an SMS autoresponder, an IDX real estate website, social media marketing tools and much more.

## EC PURCHASING

EC Purchasing helps you increase your profitability and reduce expenses on business items that you use every day. Members benefit from access to greater volume savings and obtain discounts normally reserved for larger organizations.

## COLE REALTY RESOURCES

Cole Realty Resources helps you prospect by providing access to cell phones, emails, landlines and other additional household intelligence such as purchase date and length of residence.

## BREAKTHROUGH BROKER

Breakthrough Broker helps you save time and money by providing you hundreds of resources including business strategies, educational classes, marketing templates customized to your listing, social media collateral and much more.

## CHICAGOAGENT ONE

ChicagoAgent ONE is a city/county specific closing cost app that comes preloaded with calculations and closing costs for real estate professionals. It quickly generates seller net sheets and buyer estimates and is accessible from wherever you do business.

Please reach out to your Chicago Title representative for more information!
